SPECIAL PERMIT TRAINING FOR

PESTICIDE HANDLERS

April 3, 2014 from 9:00 am -12:00 pm
Garden Plaza Inn, 503 Washington Avenue
Kingston, NY 12401
$30 per trainee
Training will be offered in English and Spanish!

Pre-Registration must be received by April 1, 2014.

The NY State Department of Environmental Conservation (DEC) adopted regulations in 2000 that required supervising certified applicators to be on site and in voice contact with their trained pesticide handlers in order for the handlers to apply federally restricted pesticides. We will again hold training programs so that DEC can issue “special permits” to these non-certified applicators that work under the supervision of a private certified applicator. This “special permit” will enable trained workers to apply restricted-use pesticides to tree fruit for the 2014 season without “direct, on-site supervision”. These DEC “special permits” are being made available to assist individuals who have difficulty taking English written tests and are not certified.

Permits issued last year are no longer valid, and this year’s permit will be valid only for the 2014 season! The best option is still to have your handlers pass the DEC private applicator certification exam.

Registration: Your completed registration form (see back page) including names and addresses of those workers attending the training must be received by April 1, 2014.

Supervisor Requirements: The supervising certified applicator is required to attend the beginning portion of this meeting with employees being trained.

Call Teresa Rusinek (845) 691-7117 for more information on permit requirements.

Building Strong and Vibrant New York Communities
Cornell Cooperative Extension provides equal program and employment

Cornell Cooperative Extension system enables people to improve their lives and communities through partnerships that put experience and research knowledge to work. This is an equal opportunity program. If you believe you have been discriminated against because of race, color, national origin, age, sex, handicap, political beliefs or religion, write immediately to the Secretary of Agriculture, Washington, DC 20250. Contact Teresa Rusinek, 845-691-7117 by the pre-registration date if you have special needs.
