

# Cover Crop Field Demonstration Day

*Not what grandpa used to plant!*

ENYCHP would like to invite you to see hands on over 20 different species and combinations of cover crops planted no-till directly into standing sweet corn! Guest speakers will discuss species selection, and our host farm will demonstrate their Unverferth Ripper Stripper unit and discuss their reduced tillage and cover crop experiences used for vegetables.

*Guest Speakers: Dr. Paul Salon, Northeast Soil Health Specialist & Dave Wilson, Research Agronomist and Cover Crop Specialist*

*Registration fee: \$5.00 per person.*

Because we are offering lunch, pre-registration is appreciated so we have enough food, but walk-ins are welcomed.

**Thursday, October 13, 2016,  
10:30 am – 2:00 pm**

**Stanton's Feura Farm  
210 Onesquethaw Creek Road  
Feura Bush , NY 12067**
