Trac Software Workshops

Taught by Juliet Carroll, Trac Software Developer, to be held March 25, 26 and 27.

Trac software is a pesticide spray record-keeping program built in Excel. It will automatically generate your reports. Learn more about it at [www.nysipm.cornell.edu/trac](http://www.nysipm.cornell.edu/trac).

Workshops will demonstrate how to set up your farm’s information, applicators, blocks, pesticide inventory and how to enter your records and generate reports, including the EPA WPS Central Posting Form. You will learn how Trac can generate spray material costs and keep fertilizer and harvest records. There will be time for questions and discussion.

**Advanced registration only!**
Space is limited to 15 people per location.
First come - first serve so register early!
Registration is $15.00 per person.

*To register contact:*
Marcie Vohnoutka
518-272-4210, mmp74@cornell.edu

**Deadline to register is March 20.**
