

# Improve your Post-Harvest Efficiency, Profitability, & Food Safety

Thursday, August 1<sup>st</sup>, 2019

10:00am—1:00pm

## Pleasant Valley Farm

118 South Valley Road  
Argyle, NY 12809

This workshop will examine the efficient flow of wash-pack zones and highlight infrastructure, equipment, and tools necessary for post-harvest success.

Workshop led by UVM's Extension Ag Engineer Chris Callahan, Produce Safety Specialist Hans Estrin, Ag Engineering Technician Andy Chamberlin, and ENYCHP produce production and food safety educators.

**Come with a post-harvest challenge or improvement project in mind and prepare for hands-on planning.**

Templates, personal whiteboard prompts, as well as Extension and peer support will allow you to leave this workshop with a plan, and with the knowledge and resources needed to follow through.

***1.0 NYS DEC Pesticide applicator re-certification credit in categories 1a, 10, 22, and 23 will be available.***

**\$10 for ENYCHP enrollees**

**\$25 for non-members**

*Pizza lunch included*

*Enroll in the ENYCHP to get reduced event prices!*
