Following the CCE-LOF Summer Tour

Please join us for the retirement celebration of 2 of our colleagues, Stephen A. Hoying, and Alison DeMarree, following the CCE-LOF Summer Tour at 5 PM at Leonard Oakes Estate Winery, 10609 Ridge Rd, Medina, NY 14103. Steve and Alison have each dedicated more than 30 years to the NY fruit industry. Both Alison and Steve helped to lead the industry into planting more profitable plantings with impact across NY state, U.S., and internationally. We hope you will come and celebrate their careers and recognize them for their contributions to the fruit industry and Cornell Cooperative Extension. Bring your stories to tell. We will have a projector if you have pictures to show.
