

# DRY BEAN MEETING

Research and production updates on dry bean varieties and breeding, weed management, western bean cutworm, and white mold disease

March 6, 2017 | 9:30 AM - 2:30 PM | First United Methodist Church, Rt 63, Batavia, NY

Towards a durable management strategy for white mold in dry beans in NY – Sarah Pethybridge, Cornell

Breeding, evaluation and development of dry bean varieties that are highly adapted to NYS growing environments and markets – Phil Griffiths, Cornell

## What's new from industry

Comparison of new and standard dry bean varieties at the NYS Agricultural Experiment Station Research Farm – Jim Ballerstein, NYS Agricultural Experiment Station, Cornell - Geneva

Weed management research in dry beans – Darcy Telenko, CCE Cornell Vegetable Program

The magnitude and distribution of western bean cutworm and the risk to dry bean production – Marion Zuefle, NYS IPM Program

Food safety practices and documentation required by buyers – John McCreedy, New York Bean, LLC

Cool school food: encouraging the use of dry beans in school lunches, and promoting the health aspect of dry bean consumption – Amie Hamlin, NY Coalition for Healthy School Food

Report on the NYS Dry Bean Endowment for dry bean research – Shelly Vaccaro and Brian Bodah, NYSAES, Cornell

Review of research priorities and suggestions for educational programs

NYS Dry Bean Industry Advisory Committee meeting – John McCreedy

**COST: \$25 for Cornell Vegetable Program enrollees; \$35 for all others.**

Lunch, including tasty dry bean dishes from the NY Coalition for Healthy School Food, is provided for those that register by MARCH 1. Registration will be available at the door but lunch cannot be guaranteed.

## REGISTER

ONLINE at [CVP.CCE.CORNELL.EDU/EVENTS.PHP](http://CVP.CCE.CORNELL.EDU/EVENTS.PHP), MAIL using the form to the right, or CALL 585-394-3977 x404.

This event is sponsored by BASF, Genesee Valley Bean, and New York Bean, LLC.

For DEC credit, bring your DEC card and sign-in at the registration desk within the first 5 minutes of the first presentation, then the roster will be closed. You must attend the entire meeting to receive credit. The rosters will be turned into the DEC for credit.

For more information, call Julie Kikkert at 585-394-3977 x404. Cornell Cooperative Extension is an employer and educator recognized for valuing AA/EEO, Protected Veterans, and Individuals with Disabilities and provides equal program and employment opportunities.
