

Introduction to Winter Growing Webinar

Thursday, January 2nd, 2020

6:00pm—7:00pm

Webinar

Join vegetables specialists Elisabeth Hodgdon (Eastern NY Commercial Horticulture Program) and Judson Reid (Cornell Vegetable Program) for a webinar on winter vegetable production in high tunnels, where the following topics will be covered:

- Soil fertility and high tunnel preparation
- Crops
- Planting dates
- Pest and disease management
- Marketing considerations

An open question and answer session will follow.

Registered participants will receive webinar log-in information via email to join the Zoom meeting.

You can email Elisabeth at eh528@cornell.edu with any questions.
