The Lake Ontario Fruit Program and the Eastern NY Commercial Horticulture Program present
2023 Statewide Virtual Apple Conference
March 3, 2023 9:30am - 2:15pm

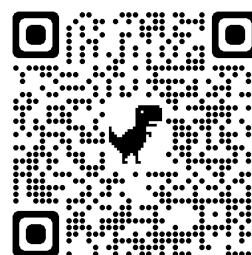

Join us for the 2023 Statewide Apple Conference!

A virtual conference gives us a chance to explore a whole day of topics that affect all apple growers across NYS! Register and join us for discussion and Q&A of the following topics:

- Climate change patterns
- Federal pesticide regulation
- Farmworker unionization
- Fruit IPM stakeholder priorities
- Spanish education & translation materials
- Irrigation and water relations
- Bitter pit in storage honeycrisp

And more!

Register using the QR code or link below!

Scan me with your phone's camera or QR reader app to register!

Early bird discounted registration through February 27!
