

Tree Fruit & Small Fruit Twilight Meetings 1 of 4

April 27, 2023 — 7:00 PM—8:30PM

April Location:
Orchard Dale Fruit Farm
1287 Oak Orchard River Rd, Waterport, NY

Please arrive at 6:45PM to sign-in for DEC credits

Join specialists Janet Van Zoeren, Anya Osatuke, and Anna Wallis for a conversation about fruit and berry phenology and pest management.

1st of 4 Free Twilight Meetings

- This series of monthly meetings will examine seasonal changes in tree fruit and berry crops, demonstrate scouting techniques, and discuss integrative pest management solutions to maximize the health and productivity of berry and fruit plantings.
- Please bring pictures or descriptions of pests you are concerned about on your farm.
- 1.5 DEC credits will be offered in categories 1a, 10, and 22. Please arrive at 6:45PM to sign-in for DEC credits.
- No pre-registration required; event is free to attend.
- Meetings are held from 7:00PM – 8:30PM on the last Thursday of every month from April through July.
- Watch for new meeting locations every month.
