Join specialists Janet Van Zoeren, Anya Osatuke, Robert Hadad, and Anna Wallis for a conversation about fruit and berry phenology, pest management, food safety and water quality.

2nd of 4 Free Twilight Meetings

<https://lof.cce.cornell.edu/event.php?id=1913>

- This series of monthly meetings will examine seasonal changes in tree fruit and berry crops, demonstrate scouting techniques, and discuss integrative pest management solutions to maximize the health and productivity of berry and fruit plantings. Food safety and water quality will also be covered.
- Please bring pictures or descriptions of pests you are concerned about on your farm.
- 1.5 DEC credits will be offered in categories 1a, 10, and 22.
- No pre-registration required; event is free to attend.
- Meetings are held from 6:30PM – 8:30PM on the last Thursday of every month through July. Scan QR code for future meeting details.
