Join LOF's Janet van Zoeren and Mario Miranda Sazo and NYS IPM's Anna Wallis. Featuring both educational IPM trainings, with time for farm employees to socialize and learn from each other.

Agenda

- 5:30-6pm snacks and social hour
- 6-7:30pm educational programming includes scouting and monitoring demonstrations, along with some theory on the basics of IPM and the importance of farm employees as on-farm scouts and to provide early-warning of potential insect pests and diseases.
- 7:30-8pm snacks and closing social hour

Pizza & soda provided by ARDP, NYS IPM, & Valent.

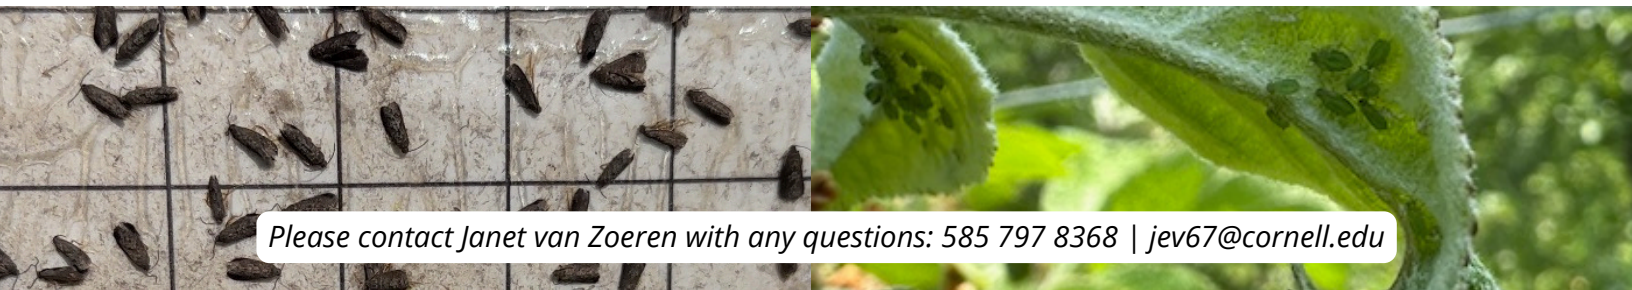

All programming will be given in both English and Spanish
