

# Precision Pruning for Apple Crop Load Management

Hosted by Mike Basedow, CCE ENYCHP

**Thursday, January 30<sup>th</sup>, 2020**

**1:30pm—3:00pm**

**FREE Workshop**

**CCE Clinton County**

6064 Route 22

Plattsburgh, NY 12901

Crop load management begins well ahead of petal fall!

Join Mike Basedow as he reviews preliminary results from the 2019 Champlain Valley precision pruning trials and offers some suggestions on how commercial orchards can incorporate these principles into their own pruning program heading into the 2020 growing season. He will also discuss future labor saving technologies currently being investigated by Cornell AgriTech and Extension.
