

Farmer Discussion:
Corn, Cover Crops, and Reduced Tillage Systems

Tuesday, July 13, 2021 at 6:00 PM

at

Tiashoke Farm, 11822 State Route 40, Easton, NY 12028

An organized discussion of the Good, the Bad, & the Ugly of using cover crops and reduced tillage systems.

- When and how to terminate cover crops for corn planting
- Planting Green
- Strip-till / No-till / Reduced-till...
- Coulters / Row Cleaners / Closing Wheels / Seed Firmers...

We will walk to a couple of different fields at the farm.
(Call Aaron if special accommodations are needed.)

Please register (\$10 per farm) by 5:00 PM, July 12, 2021, but walk-ins are welcome. A headcount is needed to plan for refreshments and printed materials.
