

2022 Respirator Fit Testing Clinic

Orleans County

CCE Orleans County
Conference Room, South Entrance
12690 State Route 31
Albion, NY 14411

The **New York Center for Agricultural Medicine and Health (NYCAMH)** and Cornell Cooperative Extension of Orleans County are pleased to provide respirator fit testing clinics for agricultural businesses in your region on April 7.

During the clinic, NYCAMH will provide **medical evaluations, respirator fit tests** and **WPS compliant trainings** on how to properly inspect, put on, take off, fit, seal check, use, clean, maintain, and store respirators.

Appointments are **one hour long**. Up to **4 workers** can be seen at the same time. Medical evaluations, fit tests, and trainings are available in both **English and Spanish**. Cost is **\$65 per person**.

Schedule an Appointment Today!

Contact NYCAMH:

- Call 607-547-6023 (Monday-Friday, 7:30 am—4:00 pm) and ask for the Fit Test Clinic scheduler **OR**
- E-mail FitTest@bassett.org

What We Need From You to Schedule Appointments

- Number of people attending from your farm
- Name of each person being scheduled
- Language spoken by each attendee
- Make and model of each respirator to be tested

Important: A respirator fit test ensures that a particular make, model and size of respirator fits the wearer's face and will meet the wearer's needs.

If a worker wears more than one style of respirator, including filtering face pieces, they **must be fit tested for each one**.

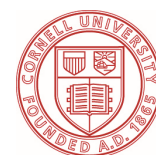

How to Have a Successful Fit Testing Day

- Arrive on time
- Complete in advance and bring all requested paperwork
- Be clean-shaven
- Do not chew gum, smoke, or drink coffee at least 15 minutes before appointment
- Bring check payment

Questions? Call NYCAMH at 607-547-6023.
