A fifteen dollar discount is given to each additional major category to the same farm address.

<p>Cornell Vegetable Program in: Allegany, Cattaraugus, Erie, Genesee, Monroe, Niagara, Ontario, Orleans, Seneca, Wayne & Yates Counties</p>	<p>Lake Ontario Fruit Program in: Monroe, Orleans, Oswego, Wayne, and Niagara Counties</p>	<p>NWNY Dairy, Livestock and Fieldcrops Program in: Genesee, Livingston, Monroe, Niagara, Ontario, Orleans, Seneca, Wayne, Wyoming and Yates Counties</p>
--	---	---

Orleans County Categories for Commercial Agriculture for Enrollment 2022

Category I. Fruit - Lake Ontario Fruit Program. Small fruit and tree fruit production information, meeting notices and roadside marketing information. The *Fruit Notes* newsletter series is provided by the Lake Ontario Fruit Program Team and is part of the enrollment package

➤ These **Special Products for Fruit** are not included in the enrollment package.

Fruit FACTS Facsimile reports on tree fruit and small fruit pest management and horticultural practices distributed 1-2 times per week starting early Spring, and through September. Published by the Lake Ontario Area Fruit Program. Text Alerts are also included in the Fruit Fax subscription.
Cost: \$75; Out of Region Cost: \$100

Harvest FACTS Biweekly Facsimile reports on the progress of pear and apple ripening and it's suitability for harvest and storage. Published by the Lake Ontario Area Fruit Program. Cost: \$75; Out of Region Cost: \$100

Category II. Dairy/Livestock & Field Crops - NWNY Dairy/Livestock and Fieldcrops Program. Information on dairy, beef, swine, sheep, and field crop production. Educational program provided by the Northwestern New York Area Dairy/Livestock and Field Crops Program Team, includes **monthly *AgFocus*** newsletter along with meeting notices and special bulletins on farm business management.

Category III. Vegetables - Cornell Vegetable Program. Providing production information for commercial vegetable, dry bean and potato growers in six program areas: food safety, variety evaluation, market development, pest management, soil health, and cultural practices. Enrollment in the Cornell Vegetable Program includes an electronic subscription to ***Veg Edge*** newsletter which enrollees can expect to receive every few weeks (more often during the growing season), direct mailings, reduced meeting fees, consultations and on-farm research. Paper copies of ***Veg Edge*** are available for an additional annual fee of \$35.

In addition to Category offerings you will receive:

- ♦ direct mailings of “timely information” for the commodities chosen
- ♦ County Association mailings
- ♦ vote at the annual meeting to determine leadership
