Samples from: na

%PVY %PVX

Other Diseases

Not known to occur in growers area.

No. of years since last found in lot entered for certification on this growers farm, or NONE ON RECORD if free >10 years.

Not found this year during normal certification field inspections.

Bacterial Ring Rot

Late Blight

Notes:

NOTE: This certificate ONLY documents testing and inspection status of a lot and is not to be construed as a document of final certification. Oregon policy requires that all certified seed be accompanied by either an attached a certification tag (blue, yellow, or white) issued by the certification office, or an official "Shipping Certificate" completed by the grower for each load.
